

Professional Development Training

Better Together™

Team Effectiveness Series

Better Together™ is a comprehensive approach to establishing significantly improved teamwork in an organization as a whole, a single department, between departments, or in a project team.

Better Together™ training, through a combination of assessments, discussions, simulations and role playing will:

- Increase productivity, responsiveness, morale and communication
- Develop skills of managers and supervisors in Team Leadership, and employees in Team Adaptiveness
- Measure, monitor and reinforce teamwork, “up, down and around” the organization
- Create a corporate culture that encourages and demands teamwork

Workshop Description

- **Increasing Team Performance:** Discover how to create the optimum conditions for teamwork and how to avoid the traps that undermine team productivity.
- **Team Communication Skills:** Focus on the key communication practices required for high performance teams.
- **Team Decision Making Skills:** Learn how and when to use a variety of individual and team decision making skills.
- **Team Problem Management:** Explore the options you have for solving problems that undermine individual and team performance. Identify the most costly aspects of a problem and choose the most effective approach to avoid, minimize, reduce or solve the problem.
- **Team Reassessment:** Reevaluate your leadership, decision-making, problem management, communication, productivity, and listening skills.
